ESTABLISHMENT FOR FUEL SUPPLY
- BANGALORE CITY -

Letter No.F.7/44, dated, the 14th July, 1944, from the Director of Food Supplies, requesting sanction for the appointment of certain staff for work under the Special Officer, Fuel Supply, Bangalore City and for the grant of certain facilities to the officer.

---

1) In connection with the arrangements to be made for the supply of fuel to Bangalore City, Mr. C. I. Machia, Rationing Officer, has been placed on Special Duty (vide: Notification No. SD.158/R1-44-1 dated, the 10th July, 1944). The Director of Food Supplies now reports that Mr. Machia, the Special Officer, requires a special executive, ministerial and menial establishment and also certain other facilities. He therefore recommends sanction to the following proposals which, he states, are the minimum requirements of the Special Officer:-

Re: Establishment. (1) that a separate fuel supply establishment as detailed in the statement (Flag R) may be appointed;

Re: Office. (2) that the office of the Special Officer may be located in the upstairs of the Shorthand Writers' Association building, at a rent to be fixed by him;

Re: Telephone. (3) that a telephone may be installed on the officer's table;

Re: Personal Deposit Account in the Mysore Bank, Ltd. (4) that a personal deposit account of Rs.50,000/- may be opened in the name of the Special Officer in the Mysore Bank, Ltd;

Re: Typewriter. (5) that a typewriter for the Office of the Special Officer, at a cost not exceeding Rs.600/- may be purchased in consultation with the Stores Purchase Committee;

Re: Overtime allowance to lorry drivers and cleaners. (6) that sanction may be accorded for the payment of overtime allowances to the lorry drivers and cleaners employed on fuel supply work, at the rates allowed in the Electrical Department.

2) The Director has further proposed that the Chief Conservator of Forests may be requested to spare (a) One Range Forest Officer and

Re: Sparing the services of certain Officials of the Forest Dept

(b) One Forester from his department for work under Mr. Machia, the Special Officer.

2) He adds that in anticipation of sanction to the above proposals, he has permitted the Special Officer to proceed with the work forthwith.

4) The above proposals are for orders:

5) The Special establishment proposed by the Director (vide: statement - Flag 'R') may be sanctioned with the observation that as far as possible, the staff already employed in the Food Department may be drafted for the special work. Officials drafted from other departments may be granted a deputation allowance of 20 per cent of their pay.

(i) Accommodation for the Special Officer.

The accommodation selected by the Special Officer, viz., upstairs of the Shorthand Writers' Association building, may be approved, the Director being requested to intimate the rent therefor, in due course.

(ii) Telephone:

The proposal to instal a telephone on the Special Officer's table, may be sanctioned with the concurrence of the Secretary, Electricity and Railways. The General Superintendent has already installed one at the request of the Director of Food Supplies.

(iii) Personal Deposit Account in the Mysore Bank.

The Director of Food Supplies has already placed a sum of Rs.50,000/- [redacted] at the disposal of the Special Officer from out of his advance. He has since written to say that Mr.Machia may be permitted to have a current account in the Bank. This has been submitted separately for orders.

ESTABLISHMENT FOR FUEL SUPPLY
- BANGALORE CITY -

(iv) Typewriter.

The purchase of a typewriter at a cost not exceeding Rs.600/- may be sanctioned, the article being obtained through the Stores Purchase Committee.

(v) Overtime allowances to lorry drivers and cleaners.

The Director recommends that the lorry drivers and cleaners employed on the fuel supply work in Bangalore City may be paid overtime allowances at rates similar to those sanctioned in the Electrical Department. He states that each lorry engaged on fuel supply work has to do three trips a day.

The rates of overtime allowances sanctioned in the Electrical Department have to be ascertained. Orders on this point may perhaps be reserved for the present.

Re: Sparing the services of certain Forest officials

As regards sparing the services of a Forest Range Officer and a Forester for work under the Special Officer, the Chief Conservator of Forests will be addressed in the matter.

Re: Expenditure on account of Special establishment

6) The Director proposes that the expenditure on account of the special establishment will be met out of the provision to be made therefor in the sale price of fuel. As the selling prices of fuel have already been fixed, the expenditure on account of the special establishment will have to be borne by the Government itself, and debited to the Food Department as a final charge. As no provision has been made in the current year's budget, for the special establishment, an additional demand will be necessary.

7) A formal Government Order will also be necessary

8) The accommodation selected may be approved. The establishment suggested for the Special Officer may be sanctioned for 6 months in the first instance. The retention of a typewriter may also be sanctioned. The overtime allowance for drivers & cleaners may be considered last.

9) As regards the Range Forest Officer & Ranger, I spoke to the C.C.F. who said that he had selected two men for being posted under Mr Machia. This may also be sanctioned.

10) The sale prices of fuel have been fixed and are already high (Cf. Madras prices). It seems therefore undesirable to revise them on the score of including cost Charges. Suggestion at A in the notes above may be approved.

11) The post of a Special Officer for fuel may be sanctioned for a period of 6 mths in the first instance and Mr Machia may draw his pay and allowances he was drawing as R.O.

No. C.2/C.966/43
Encls. One D. No. 607/44

Date 31st July 1944.
1st Aug '44

To

The Secretary to the Government
of His Highness the Maharaja of Mysore,
Development Department (Supplies),
Bangalore.

Sir,

I have the honour to state that in accordance with Government Order No.19543-6/A.189-42 dated 5th June 1943, Mr.C.I.Machia, Superintendent of Police, then doing duties of the Rationing Officer, Bangalore City, had been granted a conveyance allowance of Rs.75/- p.m. from the date of his entry into this Department.

2. As per letter No.S.D.7041/A.123-43-45 dated 17th April '44 from the Secretary to Government, Development Department, Mr.Machia was allowed to draw both the consolidated duty allowance and the conveyance allowance as per scales laid down in the Government Order dated, S.D.4577-88/A.123-43, 11th January 1944, viz., C.A. Rs.50/- and consolidated duty allowance of Rs.50/-. This order, Mr.Machia represents, has adversely affected the allowances due to him on the following grounds:

(i) that the conveyance allowance originally sanctioned to him, viz., Rs.75/- was barely sufficient for his maintaining a car, over such a vast jurisdiction, as Bangalore City, and this has further been reduced to Rs.50/-;

(ii) that the City Superintendent of Police who has an equal jurisdiction is in receipt of a C.A. of Rs.100/- p.m.;

(iii) that Mr.M.O.Rahiman Khan, the Assistant Rationing Officer of only one of the three circles of the City, has also been granted a C.A. of Rs.50/- and the grant of the same allowance to both the Rationing Officer and the Asst.Rationing Officer would be invidious;

(iv) that the grant of consolidated duty allowance of Rs.50/- granted to the officers of this Department on account of the extra duties involved has not benefitted him to the extent required, as the Government Order had the effect of reducing his original C.A. by Rs.25/-, and moreover he had actually been in receipt of a duty allowance of Rs.50/- as Headquarters Assistant to the Inspector-General of Police and had been entitled to rent-free quarters as Superintendent, Central Jail, and thus his transfer to this Department had not benefitted him, as the Government Order granting the allowance intended (a copy of his letter is also enclosed).

3. He therefore requests that he may be allowed the same old rate of Rs.75/- p.m. as C.A., and also a deputation allowance of 20% of the salary as had been given to Messrs. K.P.Ramanathaiya

p.t.o.

nd N.Puttarangaswamy. In the circumstances detailed above, r.Machia may be allowed the same old rate of Rs.75/- as C.A. n addition to the consolidated duty allowance of Rs.50/-, the .A. of the Rationing Officer being fixed at Rs.75/-.

4. The Municipal Engineer and the Municipal Health Officer angalore City, who are officials of the same status, with a ike jurisdiction, are granted a C.A. of Rs.75/- each. On the ame analogy, the C.A. of the Rationing Officer Bangalore City, may also be ixed at Rs.75/- p.m.

Office of the Rationing Officer,
Bangalore City,
Dated, Bangalore, 30th June, 44.

To

The Director of Food Supplies in Mysore,

Bangalore.

Sir,

Subject:- Conveyance and Duty allowance - Rationing Officer -

---

I have the honour to invite a reference to correspondence ending with my letter No.Pr.C.90/43-44, of the 17th February, 1944, regarding the conveyance allowance admissible to me as Rationing Officer, Bangalore City.

2. In Government Order No.19543/A.189-42, dated 15th June, 43, Government were pleased to sanction a conveyance allowance of Rs.75/- per month to me for the maintenance of a Motor Car with effect from the date I assumed charge of the present post. I continued to draw this allowance until receipt of the Government Order No. SD.4577-88/A.123-43-9 of the 11th January,1944. According to this Order I was entitled to draw a Consolidated Duty Allowance of Rs.50/- per mensem plus a Conveyance Allowance of Rs.50/- per mensem for the maintenance of a motor car. In view however of the Government Order of the 15th June, which sanctions a conveyance allowance of Rs.75/- to me, I sent a Bill in respect of the duty allowance of Rs.50/- per mensem, since the 9th February, 1943, when I took charge as Rationing Officer. The Audit Office disallowed this on the ground that the Government Order of the 11th January, admitted only Rs.50/- as Conveyance Allowance. When the matter was taken up to Government, Government in their letter No.SD.7041/A.123-43-45, dated 17-4-44, ordered that I was entitled to draw a consolidated duty allowance of Rs 50/ plus a conveyance allowance of only Rs.50/- per mensem and not Rs.75/- as claimed.

3. This order has affected me adversely as the following circumstances will make clear. I had, eversince the date I took charge as Rationing Officer been drawing a conveyance allowance of Rs.75/- and even this allowance as I had pointed out previously was totally inadequate to maintain a Car with the very extensive jurisdiction under my charge. I had also in previous letters on this subject pointed out that the Superintendent of Police, Bangalore City, and the A.R.P. Officer who had a similar jurisdiction were in receipt of a conveyance allowance of Rs.100/- per mensem and that in view of the inteisive inspection work which I have to do, Rs.75/- would be quite inadequate. In sanctioning the Conveyance Allowance of Rs.75/- in their order of the 15th June, 1943, it is clear that Government recognized that this allowance was necessary, or at least was the minimum required to maintain a Car in Bangalore City. I do not think it was intended that the sanction of a Duty Allowance should in any way compensate for the cut of Rs.25/- in my Conveyance Allowance. The consolidated duty allowance was sanctioned in view of the arduous nature of the work in the Food Supply Department. I may state here that for 4 years prior to my joining the Food Supplies Department, I was in receipt of a Duty Allowance of Rs.50/- per mensem as Head Quarters Assistant to the Inspector General of Police and for 2 months as Superintendent, Central Jail, was entitled to rent-free quarters. It will be seen from this that I have in no way been compensated for the arduous work which I have been in charge of for the past year and a half and that I draw no more than what I did in my previous appointments. The Conveyance Allowance is admittedly not a source of profit or gain but is just barely sufficient to meet the expenses in maintaining my motor car. The present reduction in my conveyance allowance has operated as a hardship to me, as, in ~~fact,~~

it means that my consolidated duty allowance is limited to Rs.25/- per mensem. I believe I have a justifiable claim for the grant of a conveyance allowance of at least Rs.75/- per mensem and I request that Government may kindly be addressed once again to see that I may not be put out of pocket by the maintenance of a motor car. I should, I think, be at least entitled to draw a conveyance allowance of Rs.75/- per mensem.

4. In this connection I should like to draw your kind attention to Government Order No. SD.8599-601/A.123-43-57, dated, Bangalore, the 19th/20th. June, 1944, under which Mr. M.O.Rahmon Khan, Assistant Rationing Officer, South Circle, is permitted to draw a Conveyance Allowance of Rs.50/- per mensem as he maintains a motor car. My position becomes all the more invidious if it is considered that for the entire City as my jurisdiction a conveyance allowance similar to that drawn by the Assistant Rationing Officer who has only 1/3 of my jurisdiction under his charge is sufficient for me to maintain a Car.

5. Another matter which arises out of this is in respect of the Duty Allowance that I am now getting under the Government Order of the 11th January, a consolidated duty allowance of Rs.50/- per month. I joined the Food Supplies Department on the 9th.February, 1944, and as such am one of the earliest to join the Department. Messrs. Ramanathiah and Puttarangaswamy who came much later to this Department were permitted to draw a duty allowance equal to 20% of their pay. It is true that they are no longer in the Department but the principle of granting 20% of the pay as duty allowance was then recognized and I believe the allowance is still being drawn by one or two officers.

6. It is needless for me to bring to your notice the nature of my duties or the several handicaps I had to labour under in making Rationing as much a success as possible. As I have said before I was in receipt of a duty allowance for four years prior to my joining the Food Department and the present grant of a duty allowance of Rs.50/- per mensem does not in any way compensate me for the arduous duties. In effect I am getting no more than previously.

7. In the circumstances, I believe I have a not unjustifiable claim for the higher rate of duty allowance viz. 20% of my pay and I request that my claims for the enhanced conveyance allowance and the higher rate of duty allowance be considered favourably.

I have the honour to be,
Sir,
Your most obedient servant,

Rationing Officer,
Bangalore City.
